7.2 Subject to Condition 4.7, we will start calculating interest on the same day that we receive funds you are paying in. Interest is paid on the balance of the Account and calculated at the end of the Working Day. This is paid to you quarterly.

7.3 We will calculate any interest on the daily balance of your Account using our published interest rates. It is your responsibility to declare this to the relevant tax authorities in line with Condition 16.3.

8 Charges

8.1 Charges that apply to your Account are set out in our *CAF Bank Tariff* found at www.cafonline.org/cafbank-tariff-terms

8.2 We will send you a pre-notification of the fees and charges, including interest, to be deducted from your Account.

From the time that your message is received, you will not be liable for any losses incurred, subject to Conditions 19.4 to 19.6.

Bulk Payment instructions

- 11.10 You can create Bulk Payment instructions using the Online Service. You are responsible for the accuracy of the information within the Payment instruction. When making Bulk Payments, you **must** ensure:
- There are enough funds in the Account to cover the entire amount of the Bulk Payment on the day it is due. Where there are not enough funds in the Account, we may refuse the Payments or apply charges to the Account. We may process some of the Payments which are part of the Bulk Payment, but we will not be responsible for any Payment not made;
 - If the Payment is unsuccessful (in whole or in part), you have resubmitted the Bulk Payment instruction after rectifying the reason for rejection; and

It is your responsibility to check whether:

- Your Account Terms require the Online Service to operate your Account;
- Using the Online Service is resulting in a fee or charge reduction.

If you would also like to close your Account, Conditions 6.1 – 6.4 will apply. Telling us that you would no longer like to use the Online Service will not automatically close your Accounts.

How we can end this agreement

- 11.12 Immediately and without notice:

We can do this at any time if:

- You seriously or repeatedly breach any of these Terms and Conditions in the documents listed in Condition 1.1;
- In line with Conditions 6.1 – 6.7; or
- You have closed all of your Accounts with us;
- By giving you at least three months' notice.

We will tell you why we are ending the agreement unless it would be unlawful for us to do so.

- 11.13 If the Online Service ends or your Security Details are de-activated:

- You **must** immediately destroy any Security Details or other documentation you have relating to the Online Service; and
- You **must** still follow the Terms and Conditions detailed in the documents listed in Condition 1.1;
- We may still carry out instructions received but not processed by us at that time.

12 Telephone Banking Service

- 12.1 Authorisations for the Telephone Banking Service will remain in place until we receive written notice from the authorised signatories, and we have had a reasonable amount of time to process the termination notice. We will not be responsible for any instructions processed before we receive and act on the termination notice.

13 CAF Bank Mastercard® Business card

Issuing a Card

- 13.1 These Conditions apply in respect of each Card issued to a Cardholder.
- 13.2 The Card is not a credit card or debit card. The Card is a Business card and is linked to your CAF Cash Account. Card Transactions will only be allowed if you have the available balance in your Account. There may be limits on the number or value of Payments you can make including daily limits on the amount of cash you

can withdraw. Conditions 5.1 – 5.3 also apply to any Withdrawals you make.

- 13.3 If you would like to authorise an individual to be a Cardholder, you need to apply for a Card to be issued using the *Application Form* found on our website at www.cafonline.org/businesscard
- 13.4 You **must** also terminate the authority of a Cardholder to use a Card by contacting us In Writing or by calling us on **03000 123 456**. If you terminate the authority of a Cardholder to use a Card, you **must** arrange for the Card to be destroyed.
- 13.5 If a Card has not been activated and/or used for at least 13 months after the date of issue or the date of the last Transaction, we will cancel the Card and notify you In Writing. If the Card is still required you **must** apply for a new one.
- 13.6 We may decline to issue a Card, for reasons which might include but are not limited to:
- We have previously needed to refuse a Payment due to lack of funds on your Account;
 - Your Account is an inactive or frozen account (See Conditions 6.5 and 6.6);
 - The Cardholder is unable to complete the identification and verification procedures required;
 - The Cardholder does not live in the UK; or
 - There has been repeated fraud on the Account.
- 13.7 The Card belongs to us, and we may withdraw the service at any time. If we tell you this, you **must** destroy the Card immediately.
- 13.8 We will always send the Card to the address we hold for the Cardholder. This **must** be a UK address and unless we have agreed to do this with you, we will not send the Card to a non-residential address, PO Box, or care of address.

Cardholders and your obligations

- 13.9 The Cardholder **must** read the information which is sent with the Card. This will inform the Cardholder how to use the Card, including security measures, and what to do if the Card becomes lost or stolen or compromised.
- 13.10 In addition to Condition 5.1, we may refuse Transactions for any of the following reasons:
- There is suspected unauthorised or improper use or where the Card Transaction exceeds Transaction limits linked to Card usage (these are applied for fraud prevention purposes);
 - Action is being taken by a third party which prevents us from processing the Card Transaction;
 - There are technical issues which prevent us from making the Card Transaction;

- The Card or the Security Details relating to the Card have been lost, stolen, or compromised, or we believe they are being used by someone else; or
- Circumstances outside of our control prevent us from offering a normal service.

- 13.11 Cardholders **must** use their Card only as you have authorised them to. They **must** follow these Terms and Conditions as well as any guidance we give you about using and protecting the Cards. You are responsible for the use of the Card by the Cardholder, including ensuring Cardholders follow these Terms and Conditions.

We will treat Card Transactions made by the Cardholder as spending you have authorised, until you tell us to stop the Card as this is lost, stolen, or compromised.

- 13.12 We will not be responsible if a retailer or other supplier refuses to accept a Card as Payment for a Card Transaction, or if the Cardholder cannot use the Card to make a Payment.
- 13.13 You are responsible for letting us know, as soon as possible, when changes are made to the Cardholder's address and mobile telephone number. This information is necessary to authenticate online and other Payments.
- 13.14 You **must** take all reasonable precautions to prevent fraudulent use of the Card and PIN. These include but are not limited to ensuring that:
- You notify us straight away when you no longer approve the Cardholder using the card; and
 - You and the Cardholder follow Conditions 14.1 – 14.8.

Card renewal

- 13.15 If you have not used a Card for a period of time set by us, this may not be renewed at expiry.
- 13.16 If we will renew the Card, a Card renewal letter will be sent to you approximately three months before the expiry date of the existing Card. It is your responsibility to respond to this letter if there are any changes to your contact details or the Cardholder's contact details, or you no longer require a Card. If you do not receive this letter before a current Card expires, you should contact us.
- 13.17 A Cardholder **must not** use the Card after:
- The Card expiry date;
 - We have asked for the Card to be destroyed;
 - We have told you or the Cardholder that the Card's use has been withdrawn; or
 - You have told us that the Card has been lost, stolen or compromised (even if you find the Card).

Card authorisation and Transactions

- 13.18 When the Cardholder authorises a Card Transaction, it will reduce your available balance, but not your

Account balance. That is because your available balance includes some pending Transactions. These could be things the Cardholder has paid for using the Card. We debit Transactions no less than 48 hours after the original authorisation. Cash Withdrawals will happen when Mastercard® notifies us.

- 13.19 When a Card Transaction has been authorised as set out in Condition 4.18, you are responsible to pay the amount of the Transaction.
- 13.20 Cardholders may use their Cards to withdraw cash or make purchases where they see the Mastercard® acceptance mark in the UK or abroad. We may apply limits to Card Transactions (including contactless limits) and we may amend these from time to time.
- 13.21 When the Cardholder uses the Card or Card details, you are authorising us to deduct the amount of the Transaction from your Account. You will be liable for all Transactions made by the Cardholder, other than those set out in Conditions 19.4 – 19.6.
- 13.22 On each Working Day, any available funds on your Account will be used to pay any authorised Card Transactions notified to us by Mastercard® before they will be used to pay any other Transactions from your Account.
- 13.23 A Cardholder can set up a regular Payment to be made from your Account using the Card. To cancel this, you can give us instructions In Writing or by calling us on **03000 123 456**.
- 13.24 If we incorrectly apply, or fail to apply, a Card Transaction to your Account, we will correct this. We will refund you any interest or charges directly incurred on your Account that would not have been incurred if we had applied the Card Transaction correctly.
- 13.25 Once a Card Payment has been authorised, it cannot be stopped or cancelled. A retailer or merchant may make a refund. We will only Credit your Account when we receive their refund instruction. We are not liable for any delay in the retailer or merchant giving us these instructions.

Currency conversion

- 13.26 The exchange rate applicable to Card Transactions changes daily, and any changes will be applied immediately and without giving you any prior notice.
- 13.27 If you made a Card Transaction overseas or with an overseas merchant, the retailer, merchant, or ATM provider may convert the amount into pounds sterling. We will deduct the sterling amount from your Account.
- 13.28 If you make a Card Transaction in a foreign currency, this will be converted into pounds sterling. We use the exchange rate applied by Mastercard®. The exchange rate shown on your Statement includes the exchange rate and any processing fees applied by Mastercard®. The currency conversion and the

amount being taken out of your Account will not happen on the same day that the Transaction was carried out.

Charges

- 13.29 Some merchants may process Payments on the Card as if it were a credit card Transaction and these may incur charges. If the merchant does this, they are obliged to tell you at the time of the Transaction. You are responsible for these charges.
- 13.30 There may be a charge for using ATMs and you are responsible for this charge. The charge will be displayed on the machine at the time of the Withdrawal.

Withdrawal and suspension of the Card

- 13.31 If we withdraw the use of a Card, we will tell you as soon as reasonably practicable unless we are prevented by law or any regulation or for security reasons.
- 13.32 If a Payment is authorised by the Cardholder before a Card is cancelled or suspended, you are still responsible for the amount of this Payment which will be deducted from your Account after the Card is cancelled or suspended.

Lost, stolen, compromised or misused Cards

- 13.33 As a member of the Mastercard® scheme, we are required to share information about loss, theft or possible misuse of Cards with relevant third parties.
- 13.34 We may disclose information about you, your Account or the Cardholder to the police or third parties if we think it will help prevent or recover losses. You and the Cardholder **must** co-operate with us, the police, or any other authorities in investigations into the actual or suspected misuse of the Card. If we ask you whether a Transaction is unauthorised, you **must** confirm this within seven days of our request.

14 Using and safeguarding Security Details

- 14.1 If your Security Details are used, we will treat the request as if you have carried out the Transaction. You **must** keep your Security Details private and not let anyone get unauthorised access to any devices you use to access your Account.
- 14.2 To keep your Account(s) safe and prevent unauthorised use. You **must**:
- Keep your Security Details and the Card safe;
 - Not tell or allow anyone else to use the Card, Security Details, Access Code or One Time Passcode;
 - Safely destroy any Security Details we send to you;
 - Sign and activate the Card as soon as you receive it;
 - Change your Security Details straight away and

tell us as soon as possible if you know or suspect that someone else knows your details;

- Follow any instructions we give you about security. This includes sharing this information with the relevant persons within the organisation;
- Contact us immediately if you are concerned about the security of your Accounts, Security Details or Payment Devices;
- Ensure any changes you make to your Security Details cannot be easily guessed, and you should not write these down in a way that other people can easily understand;
- Use caution when accessing your Account from a computer in a public place and when using a computer which is connected to a public wi-fi connection;
- Take care when logging out of the Online Service. We recommend that you log off securely by using the exit link on screen and, if you are disconnected during an Online Service session, that you log back in and then log off correctly;
- Not tell us any of your Security Details unless we ask you a security question. Neither us nor the police will ask you to reveal your full Security Details;
- Not send us your Security Details or 16-digit Card number by email. If you receive a suspicious email, please do not open it, or click on any links. These emails can be reported by forwarding the email to scamreporting@cafonline.org;
- Only access the Online Service by typing our website address (<https://secure.cafbank.org/>) into your internet browser or via the CAF website (www.cafonline.org/caf-bank)
- Make sure previous Cards held by Cardholders are destroyed securely;
- Not share the Card or any Card details, including the PIN, with another person, including family members or members of the same organisation;
- Not disclose the Card numbers or the security code on the back of the Card except when making Payments;
- Not tamper with the Card;
- Take care to ensure that no-one sees the PIN when you use it;
- Comply with the instructions and guidance we issue regarding keeping the Card, Card details and Security Details safe. This includes sharing this information with the relevant persons within your organisation;
- Inform us, without delay, by calling us on our lost, stolen or compromised number, **03000 123 606** if the Card or PIN are lost, stolen, compromised, or retained by an ATM or you suspect that someone has used or tried to use them; and
- Not use the Account for illegal purposes.

14.3 If we know or suspect misuse or abuse of your

Security Details, we may report this to the police or to a regulatory authority.

- 14.4 We may ask you to change your Security Details at any time and for any reason; and you **must** do so immediately (or in accordance with any other instructions we may give). We will not be liable for any losses if you do not follow these instructions.
- 14.5 We can suspend or withdraw your Account with immediate effect if:
- We believe that this is necessary for security reasons;
 - This is to prevent suspected unauthorised or fraudulent use of your Account (for example, where there have been multiple unsuccessful attempts to access your Account using the Online Service);
 - We believe there is a significantly increased risk that you will not be able to repay any money you owe to us on your Account;
 - You have not used Your Account for a period of time set by us; or
 - You have breached any Conditions in this document or those mentioned in Condition 1.1.
- 14.6 When we make any changes to our security procedures, or if we change, suspend or withdraw your Security Details, we will tell you beforehand or immediately after we do this unless we are prevented by law or any regulations or this will compromise our security.
- 14.7 If you tell us there is an unauthorised Transaction made on your Account, we will investigate this. You **must** co-operate with us, the police or any other authorities in these investigations.
- 14.8 If you know or suspect that someone else knows your Security Details, you can still notify us outside of our opening times by calling us on **03000 123 456** and leaving a message. From the time that your message is received, you will not be liable for any losses incurred subject to Conditions 19.4 and 19.5.

15 Using, processing and sharing your information

- 15.1 We take data protection and privacy very seriously. Our Privacy Notice, which can be viewed at www.cafonline.org/privacy, explains how we collect, retain, and use personal data.

16 Tax reporting

- 16.1 Sometimes the law or a regulation will tell us that we need to share information about you (and your Controller) with tax authorities. We can share information about you with HMRC, who may then share this information with tax authorities of other countries in line with UK legislation.

16.2 The information we will share includes:

- The Account number;
- The amount of interest paid into the Account;
- The Account balance;
- Your personal and/or organisation name and address; and
- Your social security number, National Insurance number (or equivalent) or taxpayer identification number.

You may also need to provide us with further information or documents about your (or your Controllers') identity, tax residence nationality and status that we are required to hold by law.

16.3 It is up to you to meet your tax responsibilities in the UK and elsewhere. This relates to opening and using Accounts by CAF Bank and providing us with relevant information, documents and certification when we request these. You are responsible for your own tax obligations, and it is your choice whether to seek independent legal and tax advice.

16.4 You **must** inform us immediately of any changes in your circumstances or those of your Controller that affect your tax responsibilities. This includes any changes that make the tax information previously provided to us incorrect or incomplete.

17 Arranged Overdraft services

17.1 You may be able to borrow money from us as an Arranged Overdraft. If you apply for this, we will let you know how long it will take for us to consider your request.

17.2 Fees and charges applicable to any Arranged Overdraft will be in addition to those set out in the *CAF Bank Tariff* and documents set out in Condition 1.1.

17.3 Overdrafts are only meant for short term borrowing. All Overdrafts are repayable on demand. This means we can ask you to pay the money back immediately, although, we will give you advance notice for any Arranged Overdrafts.

17.4 Our Accounts are not designed to provide overdrafts if they have not been pre-approved by us (an unarranged overdraft). We may be unable to prevent a charge or Transaction which could cause the Account to have a negative balance. These may include, but are not limited to, those set out in our *CAF Bank Tariff*. You will have to repay the overdrawn amount immediately on demand. You will be charged daily interest and there may be other charges applied to your Account as set out in the *CAF Bank Tariff*.

Any interest applied due to the Account having a negative balance may be offset against any interest you earn on the Account.

17.5 You can contact us to request a new Arranged Overdraft or an extension to an existing Arranged Overdraft. We will provide you with a separate

agreement which will set out the terms of the Overdraft and any interest or charges that will apply to you.

18 Set-off

18.1 If you have money in one of your Accounts with us, we may use it to reduce or repay amounts owed to us (for example on a loan or Overdraft) which are due for payment on other Accounts. This is our right of set-off.

18.2 We can use money in your Account even if there is a court decision against you or you are fined (including interest arising after the date of the final decision or fine), unless the court instructs us otherwise, or we are prevented to do so by law.

18.3 Occasionally, we receive legal instructions or notices to hold a customer's money for someone else, or to pay it to someone else. If this happens, the money we hold for the other person will be what is left after we have used our right of set-off, including any interest arising after the legal instruction or notice (unless we decide otherwise or we are prevented to by law or regulation).

18.4 We will contact you In Writing before we make any set-off between your Accounts to let you know the date and details of the action we will take.

19 Liabilities

When we are not responsible

19.1 We will not be responsible for:

- Business losses incurred, including the loss of profits, loss of business, business interruption, loss of business opportunity, or anticipated savings, reputation or any other reasonably unforeseeable purely financial loss;
- Losses incurred as a result of a failed payment due to you not holding sufficient funds in your Account;
- Losses or costs you may suffer, resulting from our compliance with any legal or regulatory requirements, including legislation relating to Conditions 16.1 – 16.3;
- Losses incurred as a result of any abnormal or unforeseeable circumstances which are outside of our control, including delays or failures caused by problems with another system or network, data-processing failures, mechanical breakdown or industrial action;
- Losses incurred as a result of your gross negligence, fraud, misuse of your Account or breach of any of the Terms and Conditions in the documents set out in Condition 1.1;
- Losses incurred as a result of you sharing your Security Details with us or another person;
- Contact details that have changed but you have not made us aware of these;

- Losses where you give us incorrect instructions, such as the wrong account number and sort code;
- Payments into or out of your Account once this has been closed (either by you or us);
- You providing a Third Party Provider with your Security Details and you incur any financial losses because of fraudulent or unauthorised use of your Account;
- A delay or refusal to process any instructions on your Account if we have asked for further information to allow us to meet our anti-money laundering, Financial Crime, sanctions or other legal and regulatory requirements;
- Any Transaction showing on your Account which has not been disputed within 13 months of the Transaction happening;
- Any losses or damages to any original documents sent to us (unless we specifically asked for the original documents).

19.2 Where an unauthorised Transaction should be reversed, we will make it as soon as practicable. We will reverse:

- The amount of the unauthorised Transaction; and
- Any related interest or charges, where applicable.

19.3 We will make every effort to perform our obligations to you under these Terms and Conditions. This includes taking whatever action we consider appropriate to meet any obligation relating to the prevention of fraud, money laundering and terrorist financing and the provision of financial services to persons who may be subject to sanctions.

However, we **must** also comply with the law, regulations, court orders, codes and other duties, requirements and obligations that apply to us and to take measures to prevent our services being used for Financial Crime.

Consequently, we will not perform any part of our agreements and may suspend or terminate Accounts and services where we reasonably consider that doing so may:

- Involve us or you breaking a law, regulation, court order, code or other duty, requirement or obligation that applies to you or us;
- Involve, or be part of, us committing a criminal act of any kind; or
- Expose us to action by government, regulator, or law enforcement agency.

In these circumstances, we will not be liable for not performing those parts of the agreement.

19.4 You will not be responsible for any unauthorised Transactions, other than the following. You will be liable for unauthorised Payments and related costs that happen because you or a Cardholder:

- Are liable under the Terms and Conditions in the documents set out in Condition 1.1; and
- Have deliberately, or with gross negligence, failed

to keep your Account, Card or Security Details secure.

19.5 If we suspect you have acted fraudulently or with gross negligence or have breached these Terms and Conditions, you will be liable for all losses on the Account. These include the amount of the Payments made and any interest and/or charges applied to your Account.

19.6 You will not be responsible for any losses if someone else uses the Card before the Cardholder receives it. Your liability may also be limited by the law.

19.7 By using the Account and setting up Security Details on your Account, you agree to:

- Keep your Security Details and Payment Device safe at all times by taking reasonable steps, including but not limited to the safeguards we share with you and not disclose these to any third party;
- Advise us immediately if the security of the password is compromised; and
- Us relying on the password to confirm it is you authorising an instruction on all Accounts held in your name, in addition to Condition 4.18.

When we are responsible

19.8 We accept liability for any direct losses you may suffer if we have not complied with our obligations under the Terms and Conditions in the documents as set out in Condition 1.1, or as a result of our negligence or fraud.

We will have no further liability to you.

20 Amendments to the Terms and Conditions relating to your Account

20.1 We may need to make changes to the Terms and Conditions in the documents set out in Condition 1.1. We will give you at least 60 days' notice In Writing before we make any changes. If the changes are being made to the Privacy Notice, we do not need to give you prior notice In Writing, but we will inform you of any substantial changes.

20.2 There are some changes we will not tell you about in advance:

- The changes benefiting you, for example, when we have increased our credit interest rate and/or exchange rates;
- The variable interest rate changes. Some Accounts have interest rates that are based on other interest rates we do not control, for example the Bank of England base rate; or
- We make these following changes in the law, regulations, code or industry guidance.

- 20.3 Changes listed in Condition 20.2 can be made immediately but we will tell you In Writing about them within 30 days.
- 20.4 If we give you advance notice of a change to this agreement and you do not want to agree to the change, you can close your Account without paying any extra charges or interest, at any time until the change takes effect. If you do not close your Account, you are accepting the change.
- 20.5 If we are going to reduce a variable interest rate that we pay you on any current or savings account, we will tell you In Writing 14 days before we do so. You can at any time, up to 30 days from the date we tell you about the change, close your Account without penalty or charge. If you do not do so, we will consider that you have agreed to it.

If you have a notice account and we notify you of a reduction to your variable interest rate, you can close your account within the 14-day notification period. You can close your notice account following the rate reduction for the time period matching the notice requirements on your account, e.g. 95-day notice account holders can close within 95 days of the rate reduction without penalty or charge.

If the change is to your benefit, we will tell you by publishing the new rates on our website.
